

Future Students

Welcome to BCIT

Your story begins now. First steps become great strides. By joining us, you embark on a learning path that will shape your career and propel you into the future. BCIT is closely linked with industries around the globe, with programs taught by industry leaders on campus and in the field. From certificates and diplomas to bachelor's and master's degrees, you'll gain relevant skills to contribute to industry from day one.

Find the right program for you and get your hands on higher potential.

Build your resume as you learn

Our programs are taught by faculty who are industry leaders and specialists in their fields. You'll gain experience with future employers through internships, co-ops, practicums, apprenticeships, or industry-sponsored consulting projects.

"BCIT gives you so much more than just lectures and knowledge. They let you try things, you get hands-on experience. A lot of the things I did in class, I still do day-to-day on my job."

CHELSEA GILL, AIR TRAFFIC MANAGEMENT TECHNOLOGIST, NAV CANADA
