

Climate Changemakers Leadership Training

Microcredential Part-time [School of Construction and the Environment](#)

Overview

Delivery: online. [See details.](#)

About the program

The Climate Changemakers Leadership Training Microcredential enables people with a passion and interest in sustainability and climate action to prepare themselves for careers that positively impact people and the planet.

All jobs have the potential to be climate jobs, and this microcredential provides foundational learning to support workers from various backgrounds interested in transitioning into sustainability and climate action careers. This microcredential also meets industry's growing need for a sustainability and climate-action literate workforce that's prepared to tackle the shared social and environmental challenges.

Who it's for

This program welcomes those with diverse backgrounds and lived experiences at any stage of their careers who are looking to apply a sustainability and climate action lens to an existing job or transition to a new job.

Entrance Requirements

Application processing

Ongoing throughout the year.

International applicants
